MIDWEST LACROSSE

ABOUT OUR CAMP

Are you a **College Bound Lacrosse** player? Do you want to develop the skills and knowledge necessary to play at the college level? If so, then you need to be trained and prepared as one. By attending C.B. Lacrosse camp you will learn the same advanced lacrosse skills college coaches teach to future all-conference and all-American college players. Not only will you learn how to be a better player, you will also learn step-by-step how to be recruited by a college lacrosse program. We will explain to you the ins and outs of the NCAA Prospective Player Recruiting Process.

CAMP INFO

CB Lax Camp is very different compared to your traditional teaching camps. Our main goal is to develop all of the necessary skills and knowledge to play lacrosse at the college level and to be able to stand out at recruiting camps and tournaments. We will teach you the exact same skills and concepts we use to develop our own collegiate players. We prepare you and show you what college recruits look for in a college bound player that way you will maximize your efforts when attending future recruiting camps and tournaments.

CB Lax Camp is an intense three and half day training camp with three sessions per day and a learning seminar each night. Learning seminars will touch on the NCAA recruiting process and the Do's and Don'ts to college recruiting. There will be a session on 1) The college admissions process, 2) Filming and highlight tape making for recruiting DVDs and 3) strength and condition seminar about sports specific training. All evening learning sessions are open to parents.

Non-refundable Deposit / (Due 5/23) / : \$250
Total Camp Cost / (Includes Deposit) / : \$395
